 - b. The total marks obtained should be the aggregate of the best five, where applicable, including **First or Second Language** or both* (as the case may be) but excluding EVS (where it is not an elective subject).
***If the other language (than that, compulsorily added) comes within the zone of consideration in terms of the norms of the best five, that should also be included as S1/S2/S3/S4**
 - c. The marks of EVS which is not an Elective Subject should not be taken for calculation of percentage.
 - d. For determination of minimum eligibility, the Grand Total marks (where applicable) will be converted into percentages. **In such cases, 500 or 450 (as the case may be) out of 1000 (one thousand) shall mean 50 percent or 45 percent respectively.**
 - e. But in terms of Merit in such cases of full marks of 1000 the best five are to be chosen out of the six subjects (i.e. the marks obtained in the Additional/Optional subject before deduction may also be considered as S1/S2/S3/S4, accordingly).
